

To enhance the lives of individuals with Alzheimer's disease and other dementias.

caregiver support group

The Alzheimer's Association's caregiver Support Groups are designed to provide emotional, educational and social support for caregivers through regularly scheduled meetings. They help participants to develop methods and skills to solve problems. The groups encourage caregivers to maintain their own personal, physical and emotional health, as well as optimally care for the person with dementia.

Call 1-800-272-3900, or visit us at www.alz.org/georgia
