## Hospice Foundation of America's Living With Grief Series

# The Longest Loss: Alzheimer's Disease and Dementia

### The Longest Loss:

### Alzheimer's Disease and Dementia

Complimentary dinner and  
CEU's made possible by:

When the diagnosis is Alzheimer's disease or other dementia, grief doesn't wait for death. Through a combination of candid, compelling interviews and live, in-studio discussion, experts will identify how medical and social service professionals can best help patients, families and themselves cope with loss and grief associated with these progressive illnesses.
